

# Audax UK Annual Dinner

The Racecourse Centre, York  
27th to 29th November 2009

The racecourse centre overlooks the York Racecourse and was originally used as accommodation for the jockeys. It has been converted to a four-star hostel, normal beds with sheets duvets, etc (no sheet sleeping bags required). Towels are also provided. There is a wash basin in every room and plenty of showers and toilets in the corridors; there are also two dormitories. There will be an AGM for those who are interested at 2pm on the Saturday.

If you wish to share a room with a friend, who is booking separately, please make this clear at the time you send your form. There are eight single rooms, and these will be sold on a first come first served basis, so if you want a single room get your booking in early. Please act promptly, by the time you receive your next *Arrivée* it will be too late.
